

Mechanics

Under The Hood

**“Look deep into nature, and
then you will understand
everything better”**

- Albert Einstein

CULTURAL GOALS

- Business Focus more than 50%
- Looking Under the Hood
- Dynamic and Innovative every agenda is different, we don't meet at the same place.

VALUES

- Be Kind and Humble
- Continuous Learning
- Pushing the Envelope
- Creating Moments

VALUES
Elaborated

Be Kind and Humble

- We support each other during tough times
- We let our guard down
- We are honest
- We are compassionate
- We stay level headed, even with immense success

Continuous Learning

- We are eager to try new things
- We read books and listen to podcasts
- We keep our skills sharp in our industry

Pushing the Envelope

- We push ourselves
- We push our team to be better
- We call each other on BS

Creating Moments

- We seize the opportunity
- We create once in a lifetime experiences together
- We know when the moment is serious
- We know when the moment is playful
- We have memorable fun together

What we are seeking (But not required):

- Founders of their business
- Well above 1M in revenue & has complexity
- Companies with a full C Suite executive team
- Right brain people (artists and creatives)
- Venture backed and tech companies

About Us

- Forum Meetings every 4th Tuesday of the Month with dinner after
- We are family friendly. Most of us have kids. We like to get together, but we are not excessive partiers or big spenders.
- Age Range is 33 – 55
- Geographically we are spread.
We live/work in Pasadena, Santa Monica, Culver City, Encino and Agoura

Questions We Ask New Candidates

- What would your spouse say about EO? About Forum? How do they support this new venture in your life?
- Example of how you pushed the envelope? Example when you pushed and fell off?
- What's the last once in a lifetime experience you had?
- When did you have to be kind or compassionate last?
- What's the last book you read or podcast you listened to?
- How do you stay up to date in your industry?

Are you ready
to get under
the hood with us?
